A Circuit Steeped In History

The Circuit de Catalunya was built in 1991, replacing the Montjuïc circuit as Spain's premier motorsport venue. The circuit was designed to be a state-of-the-art facility, incorporating the latest safety features and a challenging layout that would test the skills of the world's top drivers and riders.

Over the years, the Circuit de Catalunya has hosted some of the most iconic races in motorsport history. The Spanish Grand Prix has been a fixture on the Formula 1 calendar since 1991, and has produced some of the most thrilling moments in the sport. The circuit has also hosted the Catalan Motorcycle Grand Prix since 1995, and has seen some of the greatest riders in history compete for victory.

The Unsung Heroes Of The Circuit

Behind the scenes, the safety of the Circuit de Catalunya is ensured by a team of dedicated track marshals. These volunteers give up their time to ensure that the circuit is safe for drivers and riders, and that races run smoothly.

'Track Marshals Barcelona: 30 Years of Circuit de Catalunya' shines a light on the vital role that track marshals play in the running of the circuit. The book features interviews with marshals who have witnessed some of the most iconic moments in the circuit's history, and who share their insights into the challenges and rewards of their role.

Reliving The Heart-Pounding Moments

The book is not just a historical record of the Circuit de Catalunya. It is also a celebration of the unforgettable moments that have unfolded on its asphalt. From Michael Schumacher's thrilling victory in the first Spanish Grand Prix in 1991, to Valentino Rossi's legendary battles with Jorge

Lorenzo in the MotoGP, the circuit has played host to countless moments that have left an enduring legacy on the sport.

'Track Marshals Barcelona: 30 Years of Circuit de Catalunya' brings these moments back to life through stunning photography, exclusive interviews, and in-depth analysis. It is a must-have for any fan of motorsport, and a fitting tribute to one of the world's greatest racing circuits.
