Cloudgazer is a unique and engaging book that will challenge your imagination and perception. With 100 hidden shapes to find, this book will provide hours of entertainment for adults and children alike.

The book is filled with beautiful and intricate illustrations that will capture your attention and draw you into a world of wonder. As you gaze at the clouds, you will see familiar shapes and objects emerge from the swirling mist. From animals and faces to everyday objects, there is something for everyone to find in Cloudgazer.

Cloudgazer is more than just a book of hidden shapes. It is also a tool for developing your imagination and creativity. As you search for the hidden shapes, you will learn to see the world in a new way. You will begin to notice the hidden beauty and wonder that is all around you.

Cloudgazer is a perfect book for anyone who loves to use their imagination. It is also a great way to relax and de-stress. So sit back, open up Cloudgazer, and let your imagination soar.

How to Play Cloudgazer

To play Cloudgazer, simply look at the illustrations and try to find the hidden shapes. There are no rules or time limits, so you can take your time and enjoy the experience. You can also use a magnifying glass to help you find the shapes.

If you get stuck, don't worry. There are hints and solutions available at the back of the book. However, we encourage you to try to find the shapes on your own first. The more you practice, the better you will become at seeing the hidden shapes.
