1. **Set clear intentions:** Before you begin a fortune telling session, take some time to think about what you hope to gain from it. Do you want to gain insight into a specific situation? Make a decision? Or simply explore your potential?
2. **Choose a method that resonates with you:** There are many different fortune telling techniques available. Experiment with different ones until you find one that feels right for you.
3. **Interpret the results with an open mind:** When you receive a fortune telling reading, don't take it as absolute truth. Instead, approach it with an open mind and consider how it might apply to your life.

4. **Use the insights to make positive changes:** Fortune telling is not meant to be a passive activity. Use the insights you gain to make positive changes in your life. This could mean changing your behavior, pursuing a new opportunity, or simply changing your perspective.
