Lincoln County, Oregon is a place of stunning natural beauty and rich history. From its rugged coastline to its lush forests and fertile valleys, Lincoln County has been home to a diverse array of people and cultures over the centuries.

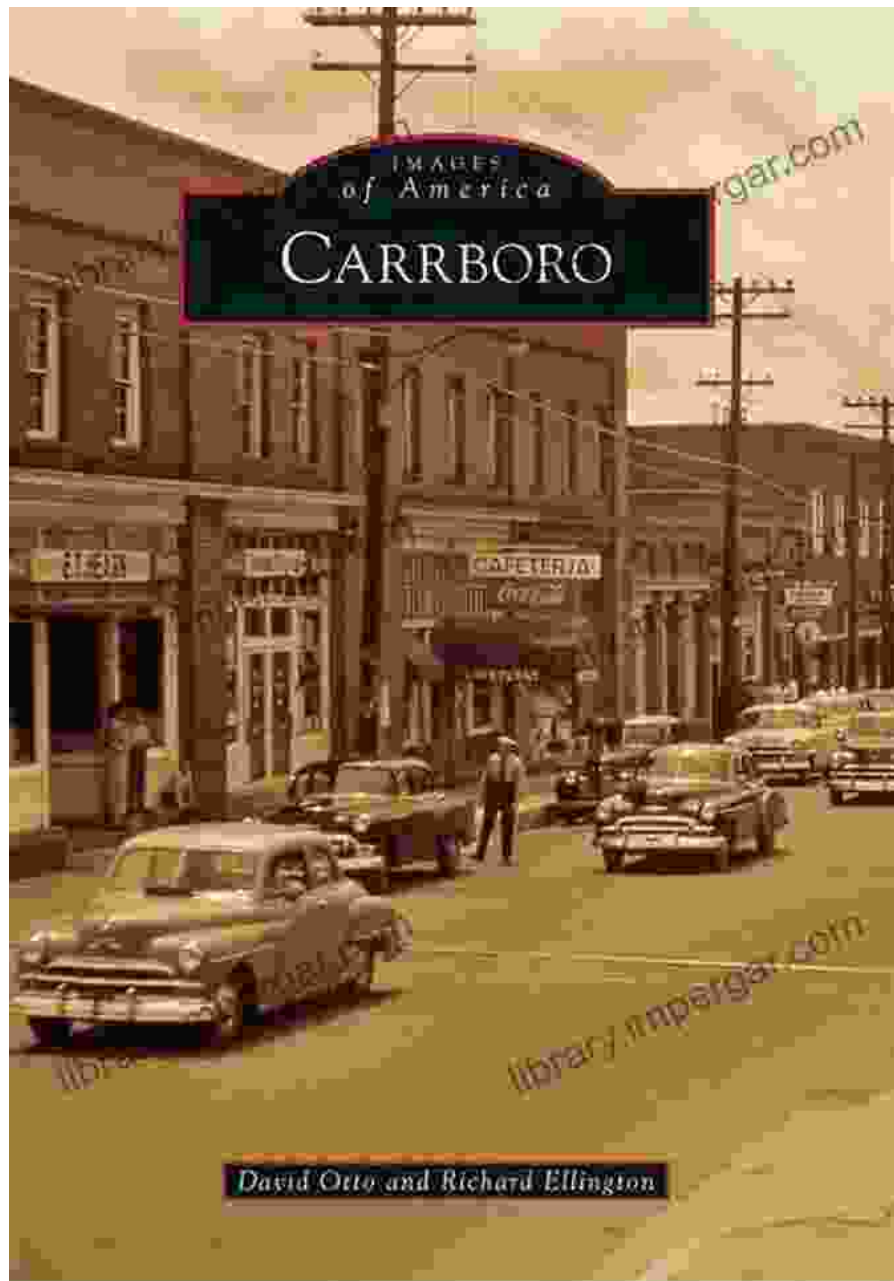

Lincoln County Images of America is a captivating collection of historical photographs that showcases the county's rich history and vibrant culture. This beautiful book features over 200 vintage images, each accompanied by an informative caption that provides context and insight into the county's past.

The book is divided into six chapters, each of which focuses on a different aspect of Lincoln County's history. Chapter 1, "The Native Americans," explores the county's earliest inhabitants, the Chinook, Siletz, and Tillamook tribes. Chapter 2, "The Pioneers," tells the story of the county's

early settlers, who arrived in the mid-1800s and established farms, businesses, and communities.

Chapter 3, "The Timber Industry," documents the county's long history of logging and lumber production. Chapter 4, "The Fishing Industry," explores the county's vital fishing industry, which has been a major part of the local economy for over a century. Chapter 5, "The Tourist Industry," tells the story of the county's development as a popular tourist destination, thanks to its beautiful beaches, rugged coastline, and abundant wildlife.

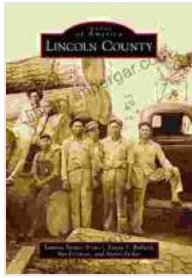

Chapter 6, "The Modern Era," explores the county's recent history, including the growth of tourism, the development of new industries, and the county's increasing diversity. *Lincoln County Images of America* is a beautiful and informative book that is sure to appeal to anyone interested in the history of Lincoln County, Oregon.
