With over 300 stunning images, London Transport Recalled tells the story of how London's transport system has evolved over the centuries. From the horse-drawn buses of the 18th century to the high-speed trains of today, Connor's book covers every aspect of London's transport history.

Connor's book is not just a dry history, however. He also brings to life the people and stories behind the scenes. From the engineers who designed and built the network to the drivers and conductors who operated it,

Connor's book gives readers a real sense of the human side of London's transport story.

Whether you're a lifelong Londoner or just a visitor to the city, London Transport Recalled is a must-read for anyone interested in the history of this iconic transport network.

Reviews

"London Transport Recalled is a fascinating and comprehensive history of London's transport network. With over 300 stunning images, this book tells the story of how London's transport system has evolved over the centuries, and how it has played a vital role in the city's development." - Evening Standard

"John Connor's book is a must-read for anyone interested in the history of London's transport network. With its stunning images and engaging text, London Transport Recalled brings to life the people and stories behind the scenes." - The Guardian
