The Beatles' psychedelic era was a time of great change and experimentation. The band was constantly pushing the boundaries of music, fashion, and art. They were inspired by a wide range of sources, including Eastern mysticism, LSD, and the avant-garde. Their music became more complex and experimental, and their lyrics became more introspective and personal.

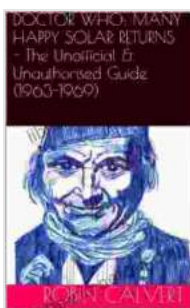

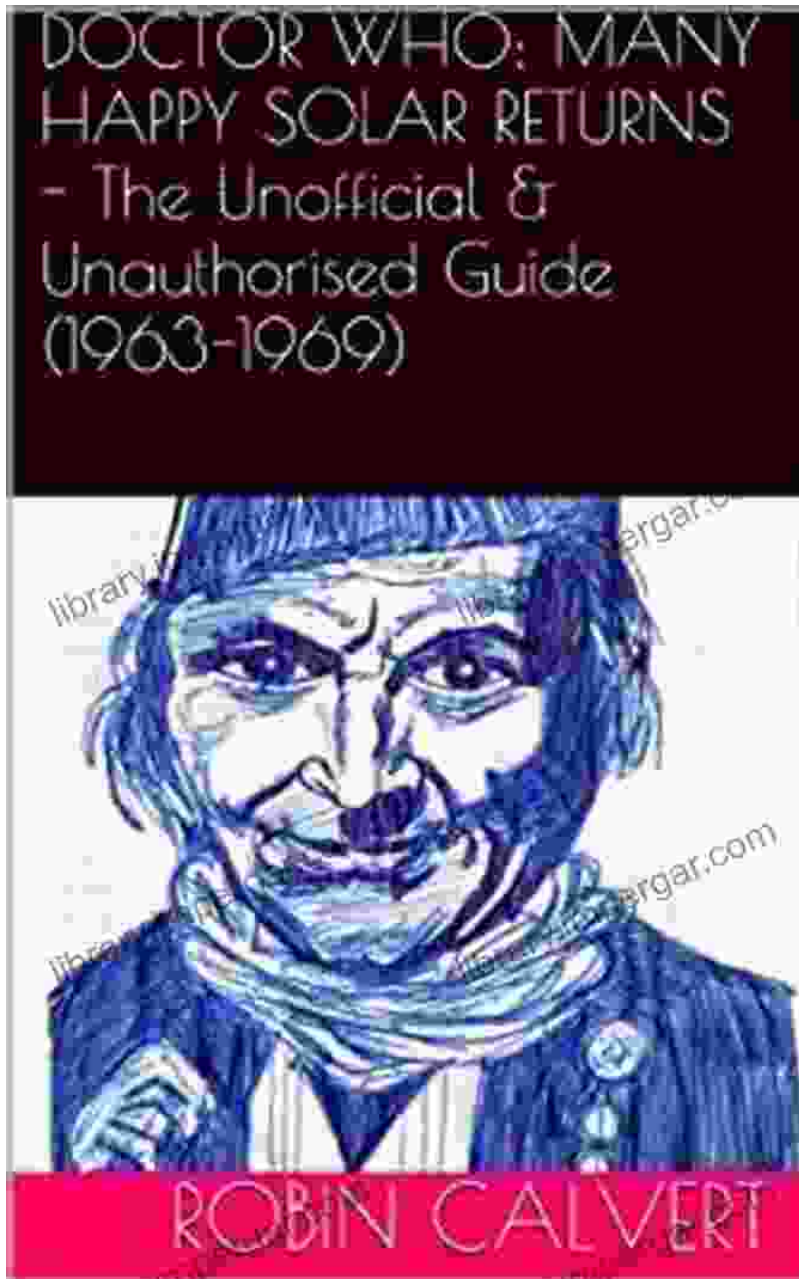

Many Happy Solar Returns tells the story of this extraordinary period in the Beatles' history. The book is divided into six chapters, each covering a

different year from 1963 to 1969. Each chapter is packed with rare photos, interviews, and behind-the-scenes stories. The book also includes a timeline of the Beatles' psychedelic era and a discography of their albums and singles from this period.

Many Happy Solar Returns is the definitive guide to the Beatles' psychedelic era. This book is a must-have for any Beatles fan or anyone interested in the history of rock and roll.
