From a young age, author Amythyst Kiah faced seemingly insurmountable challenges. Born with a rare muscle disease, she endured years of surgeries and setbacks that left her with severe physical limitations. But amidst the pain and uncertainty, Kiah discovered an unyielding spirit that would not be broken.

In this deeply personal narrative, Kiah shares her experiences with unflinching honesty and raw emotion. She recounts the struggles of living with chronic illness, the discrimination and prejudice she faced, and the emotional toll it took on her self-esteem and relationships.

However, *Of Life and Limb* is not merely a story of hardship. It is a testament to the power of human resilience and the importance of embracing life's challenges. Kiah's unwavering determination and infectious optimism shine through on every page.

Through her passion for music, Kiah found a way to express herself and connect with others. From her early days as a struggling singer-songwriter to her current success as a Grammy-nominated artist, Kiah's journey proves that anything is possible with a positive attitude and unwavering support.
