Hitters

1. Will Fernando Tatis Jr. Rebound from Injury?

Fernando Tatis Jr. is one of the most dynamic players in baseball. However, injuries have plagued his career, including a season-ending shoulder injury in 2022. The debate rages on: will Tatis Jr. return to his former dominance, or will his injuries continue to hamper his performance?

2. Is Ronald Acuna Jr. Worth a Top-5 Pick?

Ronald Acuna Jr. is another superstar who has been sidelined by injuries. Despite missing significant time in 2022, Acuna Jr. remains one of the most coveted players in fantasy baseball. The question remains: is he worth a top-5 pick given his injury history?

3. Is Shohei Ohtani a Safe Fantasy Pick?

Shohei Ohtani is a unique player who excels both as a pitcher and a hitter. As a result, he offers tremendous upside in fantasy baseball. However, his dual role raises concerns about his workload and potential for injuries. Is Ohtani a safe pick, or is he too much of a risk?

4. Is Bryce Harper Still an Elite Fantasy Producer?

Bryce Harper has been one of the most consistent hitters in baseball for years. However, his performance has declined slightly in recent seasons. Is Harper still an elite fantasy producer, or is he on the decline?

5. Will Juan Soto Continue His Dominance?

Juan Soto is one of the most promising young players in baseball. He has led the National League in on-base percentage in each of the last three seasons. Will Soto continue his dominance in 2024, or will he face a regression?

Pitchers

6. Is Jacob deGrom the Best Pitcher in Baseball?

Jacob deGrom has established himself as one of the most dominant pitchers in the game. He has won two Cy Young Awards and led the National League in strikeouts in three of the last four seasons. Is deGrom the best pitcher in baseball, or are there other pitchers who can challenge his supremacy?

7. Is Shane Bieber the Next Great Ace?

Shane Bieber emerged as a breakout star in 2022. He finished with a 3.43 ERA and 194 strikeouts in 166.1 innings pitched. Is Bieber poised to become the next great ace in fantasy baseball, or is his success a mirage?

8. Is Gerrit Cole Overrated?

Gerrit Cole has won the National League Cy Young Award in each of the last two seasons. He has been praised for his elite strikeout ability and his ability to limit walks. However, some critics argue that Cole is

overrated due to his reliance on a cutter. Is Burnes a true ace, or is he overrated?

9. Is Justin Verlander Still a Fantasy Stud?

Justin Verlander had a remarkable comeback season in 2022. He won the American League Cy Young Award at age 39. However, Verlander is now 40 years old, and the question remains: can he continue to be a fantasy stud?

10. Will Gerrit Cole Live Up to the Hype?

Gerrit Cole is one of the most expensive pitchers in fantasy baseball. He has a long track record of success and is known for his ability to strike out batters. However, Cole has also been known to be inconsistent at times. Will he live up to the hype in 2024, or will he disappoint fantasy owners?

Sleepers and Busts

11. Sleeper Pick: Jo Adell

Jo Adell is a young outfielder who has the potential to be a fantasy superstar. He has shown flashes of brilliance in the minor leagues, but he has yet to find his footing in the majors. Is 2024 the year that Adell finally breaks out?

12. Bust Pick: Byron Buxton

Byron Buxton is a talented player who has been plagued by injuries throughout his career. Despite his immense talent, Buxton has never played more than 92 games in a single season. Is it time to give up on Buxton as a fantasy producer?

13. Breakout Candidate: Michael Harris II

Michael Harris II is a young outfielder who had a breakout season in 2022. He finished the season with a .305 batting average, 19 home runs, and 20 stolen bases. Is Harris II a legitimate breakout candidate in 2024, or was his 2022 performance a flash in the pan?

14. Regression Candidate: Eugenio Suarez

Eugenio Suarez has been a solid fantasy producer in recent seasons. However, his production declined slightly in 2022. Is Suarez due for a regression in 2024, or will he continue to be a reliable fantasy asset?

15. Comeback Player: Luis Severino

Luis Severino was one of the most promising young pitchers in baseball before he underwent Tommy John surgery in 2019. He returned to action in 2022 and showed flashes of his former brilliance. Is Severino poised for a comeback season in 2024, or will he continue to struggle with injuries?

The 2024 fantasy baseball season promises to be one of the most exciting in recent memory. With so many talented players and intriguing storylines, there are countless debates to be had.
