Coverage Options

Our protection plan offers a wide range of coverage options to meet your specific needs. Some of our most popular options include:

- **Property damage coverage:** Protects your home or business from damage caused by fire, theft, vandalism, and other covered events.
- **Liability coverage:** Protects you from financial liability if someone is injured or their property is damaged as a result of your negligence.
- **Business interruption coverage:** Provides financial assistance if your business is forced to close due to a covered event.
- **Workers' compensation coverage:** Protects your employees from financial losses if they are injured or become ill on the job.

Choosing the Right Protection Plan

Choosing the right protection plan for your home and business is an important decision. Here are a few tips to help you get started:

- **Identify your risks.** What are the most likely risks that your home or business faces? Once you know what you're up against, you can choose a protection plan that provides the coverage you need.
- **Consider your budget.** How much can you afford to spend on insurance each month? Be sure to compare the costs of different plans

before you make a decision.

- **Talk to an insurance agent.** An insurance agent can help you assess your risks and choose the right protection plan for your needs. They can also provide you with quotes from different insurance companies.
