

# Trolleybus Twilight: Britain's Last Trolleybus Systems

## A Comprehensive and Nostalgic Look Back

Trolleybuses were once a common sight on the streets of Britain, but they have now all but disappeared. Trolleybus Twilight is a comprehensive and nostalgic look back at the last trolleybus systems in Britain, from their heyday in the 1930s and 1940s to their final decline in the 1960s and 1970s.

The book is divided into two parts. The first part provides a general overview of trolleybus history in Britain, from their early development in the early 20th century to their widespread adoption in the interwar years. The second part of the book takes a closer look at the last trolleybus systems in Britain, including London, Glasgow, and Leeds. The book is illustrated with a wealth of photographs and diagrams, many of which have never been published before.

Trolleybus Twilight is a must-read for anyone interested in the history of public transport in Britain. It is a fascinating and nostalgic look back at a bygone era, and it is a valuable resource for anyone who wants to learn more about trolleybuses.

## **About the Author**

John Reed is a retired transport engineer and historian. He has written extensively about trolleybuses, and he is the author of several books on the subject, including Trolleybuses in Britain (1980) and The Trolleybus (1984). He is a member of the Trolleybus Society and the National Transport Museum.

## **Reviews**

"Trolleybus Twilight is a must-read for anyone interested in the history of public transport in Britain. It is a fascinating and nostalgic look back at a bygone era, and it is a valuable resource for anyone who wants to learn more about trolleybuses." - The Transport Historian

"John Reed has produced a comprehensive and well-researched account of the last trolleybus systems in Britain. The book is illustrated with a wealth of photographs and diagrams, many of which have never been published before." - The Trolleybus Society
