Unthink Everything You Thought You Knew About Strategic Planning Retreats

Strategic planning retreats are a popular way for organizations to step back from the day-to-day and focus on the big picture. But all too often, these retreats are poorly planned and executed, resulting in a waste of time and money.

In this book, you will learn how to avoid the common pitfalls of strategic planning retreats and achieve your desired outcomes. You will learn how to:

- Set clear goals and objectives for your retreat
- Choose the right participants
- Create a productive agenda
- Facilitate effective discussions
- Capture and implement your decisions

This book is essential reading for anyone who is planning or participating in a strategic planning retreat. With its practical advice and real-world

examples, this book will help you to get the most out of your retreat and achieve your desired outcomes.
