This book is written by a team of experienced business leaders and strategy consultants who have decades of experience in helping organizations achieve their goals. They provide a step-by-step approach to strategic planning that is clear, concise, and practical.

The book is divided into four main sections:

1. **Vision:** This section helps you define your organization's vision for the future. What do you want to achieve? What are your core values?
2. **Mission:** This section helps you develop a mission statement that describes your organization's purpose and reason for being.
3. **Objectives:** This section helps you set specific, measurable, achievable, relevant, and time-bound (SMART) objectives that will help you achieve your vision and mission.
4. **DSC Speed Reads:** This section provides a quick and easy way to review the key points of the book.

Each section includes a variety of exercises and worksheets that will help you put the concepts into practice. The book also includes case studies of real-world organizations that have successfully used strategic planning to achieve their goals.

'Vision, Mission, Objectives: DSC Speed Reads' is an essential guide for any leader or manager who wants to develop a clear and actionable strategic plan that will drive success for their organization.
