

Wooden Boats of the St. Lawrence River: Images of America

A Captivating Journey into the Rich Maritime History of the St. Lawrence River

The St. Lawrence River, a majestic waterway that connects the Great Lakes to the Atlantic Ocean, has been a vital artery of commerce, transportation, and recreation for centuries. Wooden boats have played a central role in the river's history, from the graceful sailing ships that once carried explorers and settlers to the sturdy workboats that supported the region's industries. In this captivating book, *Wooden Boats of the St. Lawrence River: Images of America*, author and historian John Mack Faragher presents a stunning collection of photographs and engaging narratives that celebrate the enduring legacy of these vessels.
